

MY ROCK COLLECTION

Rock collecting is for everyone! Earth's treasures are just beneath our feet, waiting to be discovered.

WHEN BUILDING YOUR COLLECTION IT'S FUN TO TAKE NOTES ABOUT YOUR EXPERIENCE AND LABEL YOUR SPECIMENS TO REMEMBER WHEN AND WHERE YOU FOUND THEM. DRAW YOUR SPECIMENS ABOVE AND ADD THE FIELD NOTES BELOW.

Where did you go collecting?

What was the weather like?

What type of rocks did you find?

How many did you collect?
